

TOYS

Toys are things you can play with: they will not hurt you.

VS

TOOLS

Tools are items used for a specific function: they help us to do a job.

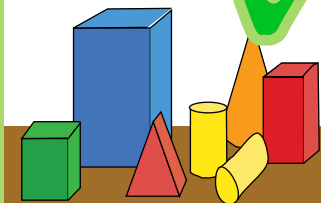

What is a Toy?

toy car

blocks

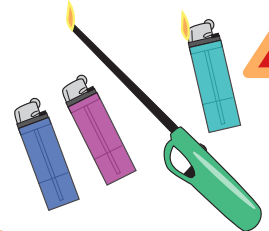

Teddy Bear

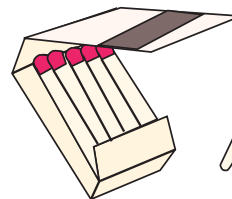

battery

lighter

matches

charger

Matches, lighters, and batteries are **TOOLS**.

If you find them, **DO NOT TOUCH THEM!**

Tell an adult so they can put them in a safe place.
